Branch to Madras on duty whenever required. The Govt. did not deem it necessary to give general permission ~~to the Compt~~ but allowed the Compt. to send the Dy Compt in emergent cases to Madras to make a halt of not exceeding 8 days at a time, in anticipation of Govt Sanction. This evidently means that regular Sanction of Govt should be obtained in each case whenever the journey performed."

2. The duty to be performed by Mr Garudachar in question appears to be the same as was expected of the Dy Compt & the accountant Mr Murgesa Modr formerly. Mr Garudachar is a whole time ~~Offr~~ Accountant appointed to inspect the Ry accounts at Madras, with such other

3. It is not clear from the Comp's letter ~~whether~~ what exactly the halt ~~will not exceed~~ would be each time. From information gathered, it is understood that no useful work can be done at Madras for a halt less than a fortnight and the halts during the past few months have exceeded that period. Thus it may be a good case for granting him exemption under Art 582 M.S.R.

4. But exemption under Art 582 M.S.R. for halts outside the State implies an exemption under Art 41(b) M.S.R. ~~If~~ It is not clear if the Govt are prepared to give exemption under 41(b). If that is possible, the whole

matter ~~will~~ may be considered in another light - viz why Madras should not be treated as the Hd Qrs of Mr Garudachar, as his duties are principally at Madras extending over a great portion of the month. In that case, he will get DA for halts in Bangalore ~~and~~ which may generally be for less than 10 days.

5. If according to the above note ~~Mr~~ Garudachar's Hd Qrs is treated to be Madras, then the question of double DA as proposed need not be considered,

~~Even~~

6. If ~~Madras~~ Bangalore has to be treated as Hd Qrs, then according to CSR, no Govt accountant ~~q~~ or Auditor is allowed double DA except the ordinary rate fixed therein. It is not

PRW 24.10.15

22.11.15 as per G.O. No 5972-74 G.7 15-14 dated 20.4.15 ~~Mr Garudachar's~~ the appointment filled by Mr G. Char has been sanctioned for only one year. Further as pointed out above general sanction to halt at Madras for over 10 days has been declined once before. It does not therefore appear to be very necessary to accord general sanction now.

apparently the halts at Madras will be of some duration and according to the principle contained in article 582 M.S.R. the grant of full d.a. for lengthy halts is itself a concession. It is therefore not clear why double d.a. should be given as suggested.

A (16) 1. Mr. Garudachar was drawing a daily allowance of Rs.2-8-0 while in British Service.

(18) 2. The reasons are explained in para 2 of the Comptroller's letter. Lodging, Conveyance and -- other charges of camp life are more expensive at Madras than at places in Mysore. The rate of dail allowance admissible under Mysore Service Regulations does not apparently apply to a costly place like Madras uncontemplated in the rules. Mr.Garud char was drawing Rs. ~~250~~ 240 per mensem while in Britis Service and was for some time also a member of the Government Examiner's Office where his present wor relating to Mysore Railways has to be performed.

B The rate of daily allowance given to him should be sufficient to enable him to arrange for his lodgin conveyance etc., befitting his former position -- which cannot be considered as lowered by the lower

To

Secretary to the Government of Mysore,
GENERAL Department.

Sir,

I have the honour to state that Mr. B. C. Garudachariar whose appointment was sanctioned in Government Order No:Fl.149-50/G.F.15-14-17 dated the 9th July 1915 has frequently to halt at Madras for over ten days. There is much to be done in the course of test audit of our Railway accounts for which he goes to Madras, especially for some months at the beginning and it is desirable to arrange for his doing as much work as possible during each visit. I request that a general exemption from the ten days halt-rule may kindly be sanctioned in his case.

2. Mr. Garudachariar's daily allowance under the rules is Rs.1-8-0 and this rate is not adequate for his halt at Madras where lodging, conveyance and other items of camp life are comparatively more expensive. The Madras and Southern Mahratta Railway Company allows to its subordinates double daily allowance for halts at Stations on foreign lines, and I request that Government
